

About Rogers County Training Center

Founded in 1963 by a group of friends and family who wanted their children with special needs to work as independently as possible, RCTC has grown into a valuable non-profit 501(c)3 organization designed to meet the employment needs of people with developmental and physical disabilities. RCTC is a subsidiary of Home of Hope, Inc.

RCTC provides vocational opportunities for people with disabilities while also providing area businesses with valuable labor, either on a permanent or intermittent basis.

RCTC operates two resale shops, Centsible Spending, located in Claremore and Pryor. These shops currently provide employment for sixteen people with disabilities as well as three job coaches. These shops operate solely on donated goods such as: household items, clothing, toys, tools, sporting goods, and furniture. Donations are tax deductible and accepted at both locations.
